### 4s classes (4 by Aug. 31, 2017)

**3 Day AM | MWF | 9AM-12PM    4 Day AM | MTWTh | 9AM-12PM    4 Day PM | MTWTh | 1-4PM**

#### Is this the right class for my child?

While many children in our 4s classes attend Kindergarten the next year, this is a perfect class for younger 4 year olds. Some children in our 4s classes attend Jr. K the following year prior to entering a full-time Kindergarten program. 4s classes can be a wonderful choice for families who still want a day or two at home with their child.

- **3 Day AM | MWF** is a great class for young 4 year olds or children having their first preschool experience. *May be combined with 3 year olds depending on enrollment.*
- **4 Day AM | MTWTh** offers the flexibility of attending SCP all day by adding Enrichment.
- **4 Day PM | MTWTh** is the perfect class for the family with other morning commitments and activities. Often the PM class size is smaller allowing for a better teacher to child ratio. *May be combined with 3s depending on enrollment.*
- **Enrichment** may be added to afternoons and/or Friday to have your child attend full day M-F

### Pre-K (4 by Aug. 31, 2017 AND attending Kindergarten in 2018)

**AM Pre-K | M-F | 9AM-12PM    PM Pre-K | M-F | 1-4PM**

#### Is this the right class for my child?

This class is designed for children preparing to enter full-day Kindergarten at the completion of their Pre-K class. This class introduces children to the idea of attending school Monday through Friday, while laying a foundation of academic and social-emotional skills to help them thrive as they move on from SCP. If your child has a late spring or summer birthday, please discuss with the director about if this is the right fit for your young 4-year-old.

- **AM Pre-K** is the best choice for families who wish for their child to attend all day by adding Enrichment.
- **PM Pre-K** is a great choice for the family with other morning commitments and activities & often has a smaller class size.

### NEW! All Day Jr. K (5 by Dec. 31, 2017)

**3 day | MWF | 9AM-3PM    2 day | TTh | 9AM-3PM    5 day PM | M-F | 9AM-3PM**

#### Is this the right class for my child?

Our Jr. K program serves children that turn 5 in 2017. If your 5-year-old needs more time before entering a Kindergarten, this is the perfect class for your child. This is also a great class for the older 4-year old that is ready to begin some kindergarten skills. You may choose a 2 day, 3 day, or 5-day option, but this class allows children to practice attending school all day. Children in this program will practice skills needed for success in kindergarten while also being exposed to early kindergarten skills as their readiness allows for it.
